So, you would like to join the Youth Group!

Here at Crosslinks we have the place for you! Each fortnight meet up with people your own age and do what YOU want to do!

Here are the things that you will probably want to know!

Days and Times.

There are 3 programs to choose from that are run fortnightly, times are Saturday Morning 9am-2pm, Friday or Saturday Night 4.30pm-9.30pm (times are somewhat flexible).

Costs

If you have a NDIS plan with support for community access this could be funded through the plan.

If you don't have a NDIS plan and would like to self-fund the cost depends on the support requirements, for more information please contact Donna from Crosslinks.

Activity Cost

Each activity costs between \$0 to \$30, occasionally the activity cost could be higher, depending on the activity (musicals, go-karting, etc), but there will always be other options available.

Meals

We also ask that your child is supplied with enough money to purchase a meal. We recommend around \$20 for the meal.

Support Ratio

Youth Group members are supported on a 1:1 or 1:2 ratio depending on their support needs.

Transport

If your NDIS plan has a transport component this can be used to offset the transport cost. If not, transport is either \$12.50 for 1:2 or \$25.00 for 1:1, which will cover pick up and drop off from home.

Where

Location-This is a community-based program.

Staff Matching

We will endeavour to match your child with a support staff who we believe is the right person to bring out the best in your child.

Staff

We understand that your child is everything to you and please be assured that all our staff are highly trained, police cleared, fully insured and have WWC cards. All staff vehicles have had a 100-point vehicle check and have full comprehensive car insurance.

Availability

Places in the group are reliant on availability at the time of application.
